

Ridgeview Bible Church  
Children's Ministries Registration

Dear Parent(s);

We are so very excited that you and your family have come to Ridgeview Bible Church. Our children are very important to us, that is why we have made our children's ministries a fun, loving, & God centered environment where we teach children a biblical worldview.

Safety is important to us and we want to ensure that you feel good about leaving your child(ren) in our care. We have performed background checks on all of our teachers and childcare providers. But we need your help...Please fill out the form below for children ages 2.5 and up. For children under 2.5, please use the form on the backside of this sheet. You can give the completed form to the leader in the entryway with a pink name tag, before dropping of your child in their classroom/nursery.
